MEMORANDUM FOR THE RECORD

OLC #78-107/9

SUBJECT: Monthly Report of Documents Made Available
to and Interviews Conducted by the Staff of
the Senate Select Committee on Intelligence
(2 - 31 July 1978)

1. During the past month Subcommittee staffers
had access to the following:

"Intelligence Monograph: Espionage & SALT: The Role on the
Human Intelligence Source in the SALT Verification System"
TR/IM 78-01; July 78; Secret

NID's on Angola for months of September/October/November 1975
were reviewed; TS/TK/Comint

"The Soviet SS-NX-17 Weapon System: A Preliminary Assessment"

2. There were only two interviews during this report
period. Mike Gelacik met with [redacted] on 28 July
for a briefing on NFAC functions; and Stan Taylor met with
[redacted] Special Studies/NFAC, on 11 July.

3. All documents were reviewed by the issuing office
prior to release.
